

# Counter Schedule

## January 1, through July 9, 2017

Attached is a schedule for through the first half of 2017. Tim Noechel has been training with different counting groups. If anyone needs a substitute please let me know or ask Tim. As always, thank you for your service to our congregation. If you know there is a problem with your dates, can you please work with another team or check with an alternate. Thanks for your patience.
